REFER A PROSPECTIVE INTERNATIONAL STUDENT FOR OUR INTERNATIONAL REFERRAL PROGRAM

The Kendall College's International Referral Program Award is an opportunity for **international students and alumni** to receive a token of appreciation. If a current international student or alumni refers a new international student to our School of Culinary Arts, School of Hospitality Management or International School of Business degree programs¹, and such referred student applies, is accepted and so enrolls in such **Kendall College degree program**, such referrer will receive a **\$250 Visa Gift Card** as will the person so referred, accepted and enrolled.

All such international students referred under this program must reside outside of the United States at the time of referral and must not be eligible to receive any financial aid funds under Title IV of the Higher Education Act. Such eligible international students must also meet all of Kendall College's then-existing admissions criteria and must also comply with any and all requirements, laws or regulations of the United States of America related to Visa eligibility.

A referral under this program provides no guarantee that admission to Kendall College will be granted and/or that any Visas will be granted. Additionally, for the international student or alumni that refer **three or more** new international students who are accepted and enrolled in such Kendall College degree programs, they will receive their choice of an **Unlocked iPhone 6** or a **\$750 American Airlines Gift Card**.
