- You can view your current balance on the student portal. This will consist of all current charges minus the guaranteed and finalized financial aid.
- Regardless of the status of your financial aid, you are still required to make a payment on the current balance.
- Once you have opted for a specific payment plan you will not be able to change it until the plan is over or until the full amount is paid.
- The payment plan dates are final. Regardless of a statement/bill being received it is the student's responsibility to monitor their account on the student portal or reach out to the Business Office to confirm current amount due.
- A late fee for the tuition payment plan will be assessed by ECSI on the 11th day after the payment is due. It is 5% of the installment amount but not more than \$10.00.
- A student can only sign up for a payment plan with ECSI during open enrollment. If the student misses the open enrollment for the current quarter, the entire current balance will be due in one payment.
